Glenwood Park Livestock Show

Sixty years ago the Middleburg Hunt and Race Association decided to promote agriculture with the youth in the area. After talking with the extension personal, it was decided to sponsor a beef show. The early shows were held at the Glenwood Race course near Middleburg. In fact, the early shows were called Glenwood Park Livestock Exposition and Race Meeting. Cattle were tied to fences and the show ring was the awards paddock. When sheep were added, they were penned in horse stalls. Cash premiums were given to winners and Mr. Daniel C. Sands, Chairman of the Race Committee, on behalf of the committee, gave each exhibitor a crisp \$1.00 bill for participating in the show. Because of heavy rain in 1971, the show was moved to the new Loudoun County 4-H Fairgrounds and has remained there.

Glenwood is the oldest multi district beef and sheep show in Virginia. Hundreds of 4-H and FFA youth have participated in this spring show. There are now third generation exhibitors. What the Middleburg Hunt and Race Association started over 50 years ago, has been greatly appreciated by past and present exhibitors.
